

Full Job Description

About us

In Great Falls, Montana, Rocky Mountain Treatment Center, our goal is to be the turning point in people's lives, helping them realize they can turn from the darkness of addiction and step into the light of life in recovery.

Also, **Healing with horses**. Rocky Mountain Treatment Center is one of the few addiction treatment programs nationally and the only program in Montana to offer Equine Therapy which focuses on getting to the root of what feeds the addiction. Horses sense and respond to people's feelings and honesty.

Our work environment includes:

- Modern office setting
- Food provided

Rocky Mountain Treatment Center is seeking a highly motivated **LAC** to join our team. We are an adult inpatient drug and alcohol treatment center located in Great Falls, MT. **We are looking for someone who is passionate about helping individuals recover from addiction.**

As a Counselor at Rocky Mountain Treatment Center, you will work with individuals who have an addiction to alcohol and other drugs. You will counsel clients on issues related to addiction recovery. You will have direct contact with the client throughout their treatment which is normally 30 - 35 days.

You will be part of a team that includes counselors, nurses, and other staff. Other team members also include supervisors, treatment assistants and staff from the admissions department.

Job Details:

1. Knowledge of federal, state and local laws pertaining to addiction counseling in a residential treatment setting.
2. Skill in written and oral communication including conflict mediation and creativity in working with a diverse population.
3. Ability to provide effective group and individual sessions.
4. Ability to maintain strict confidentiality.
5. Ability to teach a wide variety of topics suited for the specific needs of the clients.
6. Requires good physical health and ability to work flexible hours including overtime.
7. Working knowledge of ASAM criteria.
