

# Full Job Description

## Licensed Professional Counselor

Rocky Mountain Treatment Center is a growing leader in addiction treatment services.

Our employees believe we are creating a better world where lives and communities are made whole again through comprehensive treatment.

You play a direct role in saving the lives of our patients each day by providing counseling services to your assigned clients including individual, family / group therapy sessions, and promoting an environment of long-term recovery. You will partner with the Clinical Director to establish and maintain a therapeutic environment and routine for our residents.

## Required Skills

A certificate or other equivalent combination of education and clinical experience may be substituted for the equivalent combination of education and experience listed above.

- Montana LCPC license.
- Experience with chemical dependency, psychiatric disorders, non-addiction specific disorders, and clinical practice highly preferred.

## Responsibilities:

- Provide individual, group, family and/or school counseling services.
- Maintain client records and provide counseling services to assigned clients.
- Assess each assigned client's needs and provide counseling services to meet the needs of that client.
- Develop treatment plans for new clients and assist in implementing those plans.
